What to watch for this week.

These are included to help get you started with your devotional each day.

1. **(Sun)** Watch for the contrast between ‘The Law’ and following Christ Jesus. What two advantages does following Christ have over following the Law?
2. **(Mon)** Watch for the benefits of having faith in Christ Jesus. How does following Christ change our relationship with God?
3. **(Tue)** Watch for the two paths a life can take. How can the sinful desires effect eternity for the individual? How can the sinful desires be dealt with?
4. **(Wed)** Watch for how the final resurrection is described. What are the signs given here? What should a person do to be prepared for the Lord’s return?
5. **(Thu)** Watch for the number of believers who saw the Lord after his resurrection. What was the “most important” message Paul received and shared with other believers in his letter?
6. **(Fri)** Watch for the way Jews and Gentiles are brought together as one. How is this possible? Why is this important to you personally?
7. **(Sat)** Watch for what is promised to each believer. Why do believers go through trials and test in their lives? What is the final outcome for those who endure?
